- When making your arrangements with your selected provider, make sure they know to bring all supplies (plates, eating utensils, napkins, serving utensils, condiments) in addition to the food
- Let Jean Amritt know what your food arrangements are at least ten (10) days in advance of your event
- You may also choose to bring food of your own or ask your attendees to bring a brown bag lunch
- There is no food available on Museum property, so you may want to think about bringing snacks as well
